THE BHAGAVAD GITA.

WITH

AN ENGLISH TRANSLATION, EXPLANATORY NOTES, AND AN EXAMINATION OF ITS DOCTRINES.

COMPILED FROM VARIOUS WRITERS.

It is shown that the Poem, while it contains some noble sentiments, teaches Polytheism and Pantheism; that God and the soul are one; that Rajas and Tamas proceed from God as well as Sattwa; that Caste is a divine institution; while its Yoga doctrine is proved to be a delusion.
